See Lines Of Force at The Institute Of Art, Brisbane 1987 for the first installation of this work. Curated by Graham Coulter-Smith, this show brought together 9 young Old artists in an attempt to explore the post-modern condition. Scott took full advantage of the opportunity and produced his first large works where he proceeded to kill off all of his other artist pseudonyms (SAM BOY, RICK SHAW, COT DEATH, SAM BOY(D). Scott also referenced Artist - Artisan by Robert MacPherson where he had these canvases painted by the sign writer Stephen Tiplady or Janet Burchill or most of Americam Conceptual Art?
