

## Commissions List 1989–2023

Version 26: Dated 14-12-2022

Jeweller to the Lost is a poetic title which alludes to a search - a creative journey. We know that jewellery occupies a special place in the human psyche not only as adornment but also as signifier, worn on the body it captures this duality - intimacy and permanence. This work has brought me close to people seeking the right object to witness the depths of their emotions. With the right jewel we create a little time capsule, one that we throw hopefully into the future.
